CITY ROSE ACADEMY

NURTURING CHAMPIONS

END OF TERM 1

AT A GLANCE

MESSAGE FROM THE PRINCIPAL

It is truly an honour to serve as the principal of this school and to be part of the many things that make City Rose Academy a special place- a place where we nurture champions.

I would like to extend an exciting welcome to all new parents and guardians who joined us this term. We indeed believe you are our treasure. I certainly believe that next term will bring about great achievement for all.

I am encouraging all learners to set new academic, social and personal goals, put their plans into action and strive towards realizing their dreams. We all can be very proud to celebrate so many accomplishments, individual achievements in academic, sports and arts.

In the quest of achieving this, here are a few suggestions to help them make most of the precious time

Dear learners

(a) Design a personal timetable, rise early, pray and carry out your morning studies (mostly revision)
(b) Read various story books both Kiswahili and English
(c) Make a 'My Vocabulary Enhancer 'booklet and note at least five new words daily, which you come across while reading and use them in your daily communication.

Dear Parents/Guardians

(a) Set aside time with your child for guidance and counselling. Make sure to set personal goals and targets for him/her.
(b) Supervise and ensure all studies are taken according to the timetable

I cherish your caring support and partnership in working with your child/children.
Wish you all a relaxing holiday.

Best regards,
Joseph Njenga,
School Principal.

ADMISSIONS

From the bottom of our hearts, we would like to thank everyone who believed in us and admitted his/her son or daughter. We hope that they have enjoyed their stay in CRA.
We encourage you to continue referring more parents as we draw closer to the start of a new term. For convenience our offices will remain open during the April holiday. We are open for admissions from Kindergarten to Junior high school.

CURRICULUM OFFERED

City Rose Academy offers a competence-based curriculum which is in line with the current Kenyan school curriculum. Ours is to dispense it in style and perfection to bring out the champion and unleash every learner's potential.

STATE-OF-THE-ART FACILITIES

To enhance learning, an ideal and conducive environment is very key. At CRA we boast of the super modern state-of-the-art facilities. Our fully equipped modern twin lab that sits at the heart of the first floor is something of admiration. Our spacious classrooms and modern computer labs are also the icing on the cake. Make a tour of our school and appreciate these modern facilities.

CO-CURRICULAR AND EXTRA CURRICULA ACTIVITIES

City Rose Academy truly believes in tapping talents and unleashing every learner's potential. As our motto states 'NURTURING CHAMPIONS' every learner Is given a chance to grow their talents. We offer a wide range of co-curricular activities such as swimming, ball games, and gymnastics just to mention but a few

TEACHING STAFF

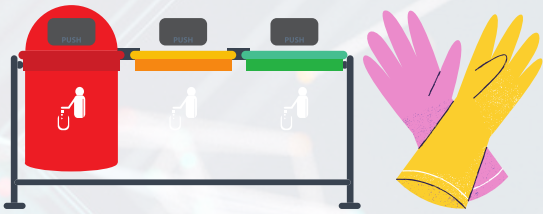

The success of any given institution depends on the workforce. A facilitator/ teacher is very pivotal in ensuring a learner's success. City Rose Academy is endowed with experienced, friendly and dedicated staff. We believe that behind every successful person is a teacher.

CLEANLINESS

Maintaining high level of cleanliness is essential for healthy living. Indeed, cleanliness gives rise to a good character by keeping the body and mind at peace. At City Rose Academy we have a team of professional cleaners who are very dedicated to their job.

Meals

As the adage goes, 'You are what you consume'. Going with the staggering statistics, many young school-going leaners suffer from malnutrition and chronic conditions. Here at CRA, we provide a well-balanced diet. Our meals are prepared and served by professional chefs.

Transport

Time is money, at CRA we believe that a stable transport system can go a long way in saving time. We have vans that ply different routes. We guarantee you that learners will reach school safely and in good time

Down the memory lane

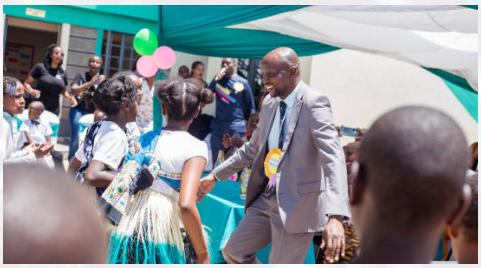

Parent's Open Day

Our inaugural parents' open day was held on 18th April 2023. It was full of glitz and glamour, to say the least. We were honoured to have Mr. Julius Karobia as our Guest of honour.

The sermon was delivered by Rev. Wafula. Other guests included the Assistant County Commissioner, the Directors and our beloved parents. The school lived up to its reputation by holding an exquisite event.

The school was decorated to perfection courtesy of Ms. Debbie, Tr. Ida and Tr. Nancy. They singled out blue, white and yellow balloons to set the mood for the occasion. They further flaunted alluring flowers that enticed everyone who glanced at them. In addition, the decorators opted to wrap up with some appealing ribbons.

The presentations were on point, everyone enjoyed whether it was the KG with their dance or the poem "my bag" that was presented by the lower primary. The highlight of the event was the Kisii traditional dance. We appreciate our students and teachers for going out of their way in ensuring our thirst for entertainment was quenched.
The staff and students would like to thank the school Directors, Principal and Deputy Principal, for the support that they have given us.

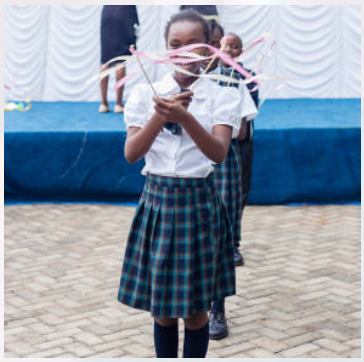

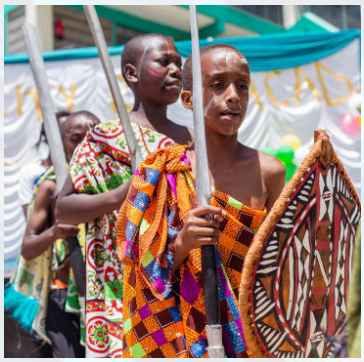

May God bless City Rose Academy.
