CRA 2024 NEWSLETTER ISSUE 1

Dear Parent/Guardian,

Greetings from the entire City Rose Academy family. As we stepped into our second year of operations, January was bustling with a myriad of activities. Let's delve into the highlights of the past 30 days.

Opening Ceremony

Our opening ceremony was graced by Rev. Dr. Kimani who encouraged the learners to give their best in this academic year. The event featured diverse performances, fostering a sense of community.

Welcome Aboard Champions: New Admissions

This January, City Rose Academy witnessed a significant rise in our student body, reaching a milestone with our 200th enrollee and passing it by a considerable margin.

We are thrilled to announce that our school community now embraces a total of 269 learners.

The “100th Mark Tradition”: Another delightful reason to cut cake.

At City Rose Academy, we cherish our unique tradition known as the "100th Mark," a celebration that honors every hundredth milestone in our growing community. The "100th Mark" tradition is not just a ceremonial milestone; it's another delightful reason to cut cake.

This beloved celebration honors our community's growth, each time we welcome a hundredth member. On January 10th, as we embarked on the new school year, we joyfully marked our second 100th milestone, commemorating our leap to a 200-learner strong family. It was a moment of thanksgiving, shared stories, and, true to our spirit, delicious cake, symbolizing our collective achievements and the sweet journey ahead.

Bienvenue parent: New Parent Orientation Meeting

This January, we extended a warm welcome to parents from all levels—Pre-Primary, Lower Primary, Upper Primary, and JSS—during our comprehensive orientation meeting.

This session served as an excellent opportunity for parents to meet our dedicated school leadership and administration team.

We shared insights into the school's guiding principles and statements, provided an overview of the updates in the CBC curriculum, and introduced the newly launched extracurricular activities along with their associated fees. It was an enlightening gathering aimed at fostering a deeper connection between our school family and our learners' families.

Student Governing Body Elections

We were proud to hold the elections for our Student Governing Body. This significant event empowered our students to actively participate in their educational journey by electing representatives from among their peers.

These elected members now have the responsibility to voice student interests and spearhead initiatives that contribute positively to our school environment. The election process not only nurtured a sense of accountability among our students but also offered them hands-on experience in democratic governance.

We commend all students who engaged in this process, whether by vying as candidates or by exercising their right to vote, for their role in shaping the leadership of City Rose Academy.

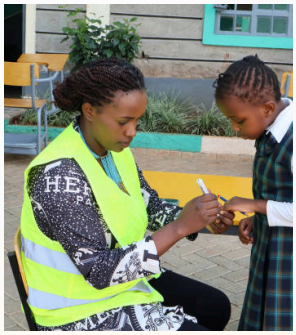

Outstanding Performance!: KEPSEA Grade 6 Class of 2023

Our KEPSEA Grade 6 class of 2023 set a remarkable benchmark with their exceptional performance.

Among our five dedicated candidates, two achieved an "Exceeding Expectations" rating, while the remaining three were rated as "Meeting Expectations."

This achievement underscores the hard work and dedication of both our students and faculty.

Below is a detailed summary of the performance across various learning areas:
